CAREER OBJECTIVE

Computer Science Engineering student with a strong interest in Software Development, Web Development, Artificial Intelligence, and Database Management Systems. Eager to apply programming and problem-solving skills through practical projects and gain industry experience while continuously learning new technologies.

EDUCATION

B.Tech – Computer Science Engineering		2024–Present	CGPA: 8.75*
PUC / 12th	SBGNS PU College	2024	92.7%
SSLC / 10th	Sri KV English School		89.7%

*Current/latest CGPA provided.

TECHNICAL SKILLS

- **Programming:** C, Java Basics, Python Basics
- **Web Development:** HTML, CSS, JavaScript
- **Database:** MySQL, DBMS Concepts
- **Tools:** MS Word, PowerPoint, Excel

PROJECTS

Personal Portfolio Website

Built a full-stack personal portfolio using HTML, CSS, JavaScript and Django. Integrated a database-driven project section using Django models and the admin panel.

Placement Details System

Developed a system to manage student placement information and placement records using C, Python and MySQL.

Engineering Book Store

Created a web application for browsing engineering books, adding books to a cart, and calculating the total purchase amount using HTML, CSS and JavaScript.

CERTIFICATIONS

- Introduction to Cyber Security
- Cyber Security Essential
- Python Essential

AREAS OF INTEREST

Software Development • Web Development • Artificial Intelligence • Database Management Systems

STRENGTH

- Self-motivated and eager to learn new technologies.
